welcome

To the HOMEPAGES of the EMP GROUP IN MALAYSIA

Selamat Datang

Our HomePages are published in the Internet to highlight the range of products & services of the EMP Group in Malaysia which we can offer to existing and potential clients world-wide.

The EMP Group is headed by Engmepho Holdings Sdn. Bhd. with subsidiaries in Malaysia, Australia and Hong Kong. Our marketing networks cover Thailand & Singapore.

To keep clients and viewers posted on any corporate up dates of the Group,we have incorporated our own EMP Updates. Should there be any new product launches or Technologies/News launched by our Group, we will post it in this page.

Feel free to browse through our Group and Companies HomePages for our products, services & technologies.

If you have any enquiries on our product(s), services & technologies, please contact us via e-mail or fax us the enquiry form.

Have a nice day.
